

SMALL STEPS, BIG CHANGES

The main idea...

Working with children, preparation of weekly workshops for children called "Direndaj", which takes place in the center every Saturday. The workshops are creative; sport orientated, and will be organized by volunteers with the assistance of employees of the center and volunteers who already work under the program. Working with children also includes work in the local kindergarten and school; volunteers will be included 2-3x a week and will be involved in the preparation of activities for children and students.
