PROJECT DESCRIPTION

METHODOLOGY:

The whole project will be based on non-formal education - **NFE methodologies**. It will be proposed a **learning by doing approach**, where each activity is based on specific learning objectives in order to better target the educational action and to ensure a coherent learning process of individuals and groups.

ATHENA is a set of two **Training for Trainers – T4Ts**, conceived to boost trainers' capacities, to share, test and upgrade methodologies and approaches. More specifically, the T4Ts will allow participants to acquire new knowledge on two specific techniques: **Forum Theatre** (T4Ts April 2023) and **Labyrinth Theatre** (T4Ts November 2023).

AIM:

To develop skills and technical competences on specific artistic methodologies to better analyse and intervene on gender sensitive issues among young people. More specifically the project, foresees to empower activists, youth workers and facilitators in the use of the two specific above mentioned techniques, to better apply them to their local contest and at international level.

TOPICS:

- ▶ Youth work methods and approaches
